Individuals should use the toilet and facilities that best fit their gender identity.

**Disabled Facilities**

All of our UK sites have Accessible toilets, and some have accessible wash/shower rooms. If you are unable to locate your nearest accessible toilet, please ask your local HR representative. Not all disabilities are visible, and our facilities are designed to be inclusive of all visible and hidden disabilities.

We have a number of centres for wellbeing at our sites. Please visit the wellbeing site to learn more, and to see where these are located: [Centre for Wellbeing - JLR Wellbeing \(jaguarlandrover.com\)](https://www.jaguarlandrover.com/centre-for-wellbeing)
