CLASSIC AUCTION

30th NOVEMBER – 2nd DECEMBER 2019

INTRODUCTION

At Jaguar Land Rover Classic we're immensely proud of our unique heritage and the beautiful, innovative vehicles for which we have become famous. As part of our continuing commitment to preserve Britain's incredible automotive heritage we are excited to announce that we will be offering classic car enthusiasts the opportunity to acquire a small number of vehicles from our collection via sealed-bid auction.

The auction will be exclusively open to UK Jaguar Land Rover hourly and salaried employees from 30th November – 2nd December, with an opportunity to view all available lots, on-site, at Classic Works, Ryton on Saturday 30 November.

In this document you will find information on how the auction will work, the terms and conditions of bidding and finally, the cars for sale, with information such as make and model, year of manufacture and mileage on each of the cars that are available as well as some images for reference.

HOW IT WORKS

The Classic auction will work on a sealed-bid auction. In this type of auction, all bidders submit only one single and fixed value highest offer sealed bid, per Lot, over the given time period. This means no bidder knows the bid value of any other participant. The highest bidder wins the lot and pays the price they submitted. The Lots shown in this document are all available for bidding. Any imagery shown in this document is for reference purposes only and does not provide true indication of the vehicle condition. Interested bidders are strongly advised to assess the vehicle in person.

1

Prior to Saturday 30th November any Eligible employees wishing to preview the Lots at Classic Works Ryton are required to pre-register interest [via this form](#).
(accessible via YOUR JLR app)

2

On **Saturday 30th November** the cars will be showcased at Classic Works Ryton-On-Dunsmore, CV8 3LF from 08.00 – 12.00 Coventry. All Eligible employees registered will require CDSID based identification to access the viewing.
(if you don't not have a CDSID please ensure you have registered with you managers CDSID)

3

Bidding will open at **12.00 Saturday 30th November** using the YOURJLR App, where a bidding form will be available to complete. If you wish to bid on more than one vehicle, you will need to complete a form for each vehicle.

Bidding will then close at **23.59 Monday 2nd December** and all bids will be reviewed.

4

All successful bidders will be contacted on **Thursday 5th December** with details with payment instructions. Payment will be required within 24hrs to settle the bid via the details given.

5

A classic representative will then be on hand to help arrange a collection time slot between **9th – 14th December** for the vehicle to be collected from Classic Works Ryton-On-Dunsmore.

The following Terms ("Terms") together with such other terms, conditions and notices as may be set out in any relevant catalogue apply to this auction sale by Jaguar Land Rover ("JLR") at auction or within 14 days after the auction. Buyers should be alert to this possibility of changes. We act solely for and on behalf of our self as the seller. Our duty is to sell the Lot at the highest price obtainable at the Auction to a Buyer. We do not act for Buyers in this role and do not give advice to Buyers. When JLR or its employees make statements about a Lot it is doing so as the Seller of the Lot. Buyers who are themselves not expert in the Lots are strongly advised to seek and obtain independent advice on the Lots and their value before bidding for them.

No description of a Lot carries with it an implication that it is fit for any particular purpose. (Term 4.3)

In particular parts may have been replaced or renewed and those parts may not be original or of "Satisfactory Quality". The inside of a Lot may not be visible where, for example, it is covered by upholstery or material, and may not be original or may be damaged, have been damaged or poorly repaired. Given the age of some Lots, no assumption should be made with regard to any aspect of their condition. (Term 4.5)
